

Kemi Idowu *MSW, LSW, C-ACYFSW*

I propose a custom-made style to needs of the various youths that I serve. Service is provided according to the individual need of the youth and their family; I provide service in an empathetic and supportive atmosphere. My skills and experience include play therapy, individual therapy with children, adolescents and adults. I also have experience providing individual therapy, parenting therapy (individual and group), group therapy. In my years of practice, I have vast knowledge in the treatment of mental illness, behavioral issues, developmental disabilities, anxiety, depression, low self-esteem, sexual assault /domestic abuse (all genders), loss, grief, learning disabilities and addiction. In addition, I have assisted individuals gain support in discovering and determining their traumatic history, especially survivors of sexual assault, neglect, physical, emotional and sexual abuse.

While working in conjunction with youths, families and adults, I use research-based psychotherapy that can include, but is not limited to: Nurture Heart Approach, Play Therapy, Cognitive Behavior Therapy, Art Therapy, Motivational Interviewing, Solution Focused Therapy and Trauma Focused.

Below are some of my work-related accreditations.
*Associate Degree in Social Science (AS) *Associate Degree in Education (AA) * Nurtured Heart Approach Certified Trainer *Nurtured Heart Approach Certified Practitioner *Certified Sexual Assault Advocacy *Certified Program in Adoption *Certified Program in Trauma Response and Crisis Intervention *Certified Program in Child & Adolescent Mental Health *Violence Against Women Clinical Work with Survivors Certificate* Registered Play Therapist – Supervisee* EFT Externship *Level 2 Trained ABFT Therapist.*Nurturing Parenting Program Facilitator.

I am fluent in English, Yoruba and Hausa.

About US

Eero Therapeutic Services (ETS): ***'Eero'*** a Yoruba word that means 'calm'. Is an organization founded in 2020 by **Oluwakemi (Kemi) Idowu**, a clinician with over 2 decades of social service experience.

ETS surfaced from a compelling desire to support and strengthen the youths and families of New Jersey communities by providing accessible and compassionate mental health support.

Our team of experienced and compassionate clinicians are dedicated to helping youths navigate life's obstacles and build the skills they need for an optimistic future.
